## PROGRAM DESCRIPTION

The purpose of this grant was to empower families to take an active role in their children's acquisition of literacy skills.

Selected students were provided additional intervention through home-school partnerships implemented by trained families.

Resources for implementation: literacy materials for families to use for interventions with the 5 pillars of literacy, professionals to provide training for families and data collection tools to track student progress.

## STUDENT OUTCOMES

Students experienced support and increased achievement in the area of literacy. Students demonstrated improvements in the areas of: phonemic awareness, phonics, fluency, vocabulary, text comprehension, and interpersonal and social skills.
