

## Team Agility Competition

Nordic Myst Dog Training  
3220 Lewis St., Endicott, NY 13760  
Indoors, 3/8" ribbed crown matting

### **General concept:**

The purpose of this team competition is to give dogs and handlers a chance to train in a trial type of atmosphere while promoting teamwork and good sportsmanship to all participants. You may train verbally during your runs, but not use food/treats or toys during your run.

Limited to 12 teams. Each team shall consist of three dogs. A handler may run one or more dogs. Members of each team can jump in different height divisions. Height divisions offered will be 8", 12" 16" 20" and 24".

### **Registration:**

Pre-registration required. Please send registration to: Terry Brown, 206 Beach Rd, Syracuse, NY 13209. Checks should be made out to Terry Brown.

Cost is \$60.00 per team, which will enable each member of the team to participate in the three rounds offered. Registration must include a non-refundable \$30.00 deposit and a listing of the team handlers, dog names and height divisions.

**Entries close on the Friday before the event or when 12 teams have registered.**

### **General Scoring:**

There will be three rounds: One of standard, one jumpers without weaves, and one game which may or may not include weaves or contact obstacles.

Scoring will be faults then time. There will be no standard course time. Faults will be earned at the rate of 5 points off the final score for each wrong course, missed contact, or dropped bar. Obstacles skipped entirely earn 10 faults. Refusals are not scored. Otherwise, AKC standards of performance will be in effect.

Each member of the team will start with a score of 100. At the end of each round, the member scores will be added together for a final score for that team in that round. The same will be true for the times for each team member. After completion of the three rounds, the scores and times will be added together for a final score/time for each team. In the event of a score tie, the fastest total time wins.

**Random details:**

Prizes: Each 1<sup>st</sup> place team member earns a prize!
